Science National Honor Society

Rufus King High School – Service Hour Record Form

SNHS requires that students complete **30 hours of service, 15 of which must be science-related**. You must submit your hours at the end of the month in which they are completed. For example, hours completed May 23rd must be submitted by May 31st, or they will not be recorded. Hours completed over the summer must be submitted by August 31st. The total 30 hours must be completed by inductions 2014 (in May). Students will be asked to resign if they have not completed their hours by this date.

Total Hours Required (30)

- 15 Science- Related
- 15 Volunteering of your choice
